Patrick,
For GSA, PDF will work. AutoCAD version will be requested for the final permit set.

For FERC, I defer to Josh.

Thanks

Subject: CD's Preparation and Project Meetings

Patrick,

I would like to check if OTJ needed to meet with us to make sure that they have everything they need for the CD's Preparation.

Also, please have OTJ issue meeting minutes from last meeting so we can track the action items.

Thanks,
